

## WHAT IS CONSTRUCTION CAREER DAYS?

As more and more people continue to visit or relocate to Florida, the need for qualified construction workers is growing. In response, transportation and construction industry professionals launched "Construction Career Days" in 1999. Northwest Florida held its first event in 2019 at the Santa Rosa County Equestrian Center in Milton.

The program is designed to introduce high school students to the wide range of rewarding career opportunities available in the construction industry. Students who attend the event also have the opportunity to apply for several \$1,000 scholarships.

Industry partners across Northwest Florida are currently organizing the second annual *Northwest Florida Construction Career Days* scheduled for April 28-29, 2020. Two primary fundraisers, The CCD Cup and the Sporting Clays Tournament are held each year. Watch for news of other great networking opportunities on the website and newsletters.

Your help is needed to make this two-day industry showcase a success. Take a look at this year's sponsorship opportunities and join the *Northwest Florida Construction Career Days* team!

## SPONSOR LEVEL BENEFITS

**GOLD**  
\$2500

**SILVER**
